Position: Owner

Company: Entre Hilos & Algodón

Phone: 0960963762

email: panterayluna2004@yahoo.com.ar

Observations:

- + There was no limit date to review the project

Recommendations:

- + It would be better if you can implement the option to upload a product photo and in the inventory the option to see all products photos.
- + I would feel more comfortable with the program if I could see all orders of a single customer, not just the last.
- + I think the program could be better if the profile option wasn't a different window.
